

\$10 PICKUPS

S-10 PICKUPS

EXTERIOR

One new color is available,
 Emerald Metallic (code 44).
 Ten colors are carried over.

BODY

- New tailgate applique is included with YC2 and YC3 trim levels. It is black with reflective silver letters.
- ☐ Color-keyed vinyl floor mats, RPO BG9, currently included in the YC1 trim level are now available when up-level trims YC2 or YC3 are ordered.
- ☐ High Country Sheepskin bucket seats have been discontinued.

CHASSIS AND POWERTRAIN

- ☐ The standard 2.5 Liter EFI gas engine incorporates further improvements which include high-flow ports in the cylinder head and a redesigned intake manifold plus:
- ☐ A single accessory belt drive, also called serpentine drive, replaces the conventional multiple V-belts. Benefits are:
- Automatic belt tensioning
- Spring-loaded tensioner
- Less complex system
- 100,000-mile life expectancy

- ☐ A new 85-amp Delcotron generator replaces the 78-amp unit as standard equipment. The new unit is lighter and benefits include improved performance, added durability and improved serviceability.

 ☐ New Delco Freedom batteries feature a "flat top" again. This
- feature a "flat top" case. This new battery provides an increase in cold cranking amps from 405 to 525 and the optional heavy-duty battery from 540 to 630 cold cranking amps.

S-10 PICKUPS

OPTIONS

- Optional decal package consisting of six tape stripes in any of six different colors extending generally along the beltline. Available with solid paint or Sport Two-Tone.
- Optional instrument cluster incorporates gages as well as tell-tale lights.
- Optional steering wheel of molded urethane with simulated stitching. The horn button includes the division logo and bright trim. Available in black only.
- Custom Two-Tone paint. Provides secondary paint placement from the upper body belt styling line to the bottom of the truck, including the hood and tailgate.
- "Sunshine" striping decal package, for regular-cab and extended-cab pickups available with solid paint or Custom Two-Tone.
- ☐ Styled wheels for 2WD pickup features attractive paint scheme.
- The Sport trim includes black chrome finish on grille and headlamp bezels, black finish tail-lamp bezels, black key cylinder locks and door handles.

- Custom Vinyl and Custom Cloth seat trim fabrics.
- ☐ Side door trim panels include Custom Cloth fabric on regularcab models with Tahoe trim.
- ☐ The intermittent windshield wiper system control is included in Smart Switch on the steering column.
- ☐ Usage of all-season tread design includes many optional tires on 4x4 models.
- ☐ Precleaner air cleaner is available for use with the 2.8 Liter V6 engine only.
- Four-speed automatic transmission with overdrive is available with the 2.5 Liter L4 gas engine on all 4x4 models.

REGULAR CAB STANDARD VALUE FEATURES

ALL THIS AT NO EXTRA COST:

- ☐ Available in 2WD and 4WD models.
- ☐ A 2.5 Liter Electronic Fuel Injection (EFI) engine for impressive performance.
- ☐ Fuel tank is mounted inside the left-hand frame rail for protection from side impact.
- Upshift light on instrument panel to indicate best time to shift the manual transmission for best fuel economy.
- ☐ Hydraulic self-adjusting clutch on all manual transmissions
- for smooth, easy operation.

 Hemmed tailgate eliminates sharp, exposed edges and helps resist corrosion.
- ☐ Door hinges welded to door frames for control of gap tolerance.
- ☐ Ribbed pickup box floor for strength.
- ☐ Welded pickup box for improved rigidity.
- ☐ All-season steel-belted radial tires for good traction and tread life.
- ☐ Double-wall construction uses both an inner and outer wall in the hood, doors, front fenders, cargo box side panels and tailgate. This provides strength. Dents on the inside don't show outside.
- Self-adjusting front disc brakes have audible wear sensors as an early warning of brake wear.
- Rear brake adjusters eliminate periodic brake adjustments.
- ☐ Standard 13.2-gallon fuel tank. Optional 20-gallon tank

- available.
- ☐ Crankdown-type spare tire carrier for easy access under frame.
- Rear side marker lamps integral with tail lamps.
- ☐ Right- and left-hand mirrors with low-gloss black finish.
- ☐ Low-gloss black windshield and rear window moldings.
- Concealed drip molding helps keep the elements outside of the cab and provides a
- clean, uncluttered appearance.

 Wheels feature a five-lug, star-type bolt pattern.
- ☐ Fluidic windshield washer provides good spray pattern and cleaning.
- ☐ Bench seat with three seat belts
- ☐ Folding, inertia-latch seat backrest permits easy access to space behind the seat.
- ☐ Seat-back angled 23° for chair-like comfort.
- ☐ Angled rear window reflects the glare of on-coming lights away from the inside rearview mirror.

- ☐ Curved track seat adjuster moves a full 6.6" to accommodate short or tall drivers.
- ☐ Full door trim panels and headliner for good appearance and acoustics.
- ☐ Ashtray, coat hook and inside day/night mirror for convenience.
- ☐ Inside hood release provides theft protection for the engine compartment.
- ☐ Column-mounted Smart Switch controls turn signals, headlight beam and wiper/ washer for driver's convenience.
- ☐ Color-keyed instrument panel. ☐ Left and right sunshades
- with sliding feature for more convenience.
- ☐ Sliding door lock levers help deter theft.
- ☐ Locking stowage box in instrument panel.
- ☐ Fuse block for easy serviceability.
- ☐ Extensive corrosion protection.

MAXI-CAB STANDARD VALUE FEATURES

ALL THIS AT NO EXTRA COST:

Like the regular cab, the S-10 Maxi-Cab offers many standard value features:

- Available in 2WD and 4WD models.
- ☐ 14.6" longer cab provides lots of extra room behind front seats.
- ☐ Extra-long 122.9" wheelbase to carry the larger cab and enhance the ride.
- Room for two additional passengers or protected cargo.
- Available (at extra cost) fold-up facing jump seats with Custom Vinyl seat trim.

- ☐ Tinted glass all windows standard.
- $\hfill\square$ Dome lamp standard.
- ☐ Front bucket seats standard on Tahoe and Sport models.
- Reclining front seat-back available with bucket seats.
- To reduce opportunities for corrosion and provide strength, the cab is constructed with one-piece quarter panels, onepiece roof panel and an inner
- and outer cab back panel.

 Bonded rear quarter glass.
- ☐ Full headliner with full-foam and cloth covering.

ENGINE AND CHASSIS VALUE FEATURES

The 2.5 Liter L4 gas engine incorporates the latest in high technology which includes a computer-controlled Electronic Fuel Injection (EFI) system:

It's simpler. It takes the complexity out of the engine compartment and places it in the Electronic Control Module (ECM).

it's more responsive, especially during cold starts and warm-ups.

☐ It offers outstanding fuel economy. ☐ The simpler EFI system has proved to be easier to service It eliminates the carburetor, choke, needle valve and float.
Other high-technology features include: Lightweight castings: head, block and crankshaft. Lighter weight pistons for lower reciprocating forces, cooler operation. Aluminum intake manifold reduces weight. Fabricated stainless steel exhaust manifold. Roller hydraulic valve lifters reduce friction. Low-tension oil rings reduce friction.
☐ High torque improves low engine speed operation.

expectancy.

2.8 Liter V6 engine, available on S-10 2WD and 4WD models, has EFI for more precise fuel-to-air ratio, improved performance and driveability.

☐ Centralized, compound angle

☐ 8.9 to 1 compression ratio. ☐ Serpentine accessory belt drive for 100,000-mile life

spark plug.

FRAME ASSEMBLIES (2WD and 4WD)

☐ All-welded, except for riveted
rear cross members.
☐ Hot-wax-coated for corrosion
protection.
☐ Box-section front frame with

channel-type rear side rails for

strength.

2WD FRONT SUSPENSION

☐ Computer-set	ected front
spring mar-	The Marinolo

Sport suspen	ision package
available.	

☐ Independent front suspen-
sion with coil springs to help
provide an impressively smooth
ride.

☐ Control arms are rubber
bushed for noise and shock
damping.

□ Ball	joints	equipped	with
		indicators.	

☐ Features long wheel travel
to help absorb road bumps
and jolts.

☐ Stabilizer bar is available
and included with 1,500- and
1,625-lb. payload options.

4WD FRONT SUSPENSION AND CHASSIS

AND CHASSIS
☐ Independent front suspen-
sion with torsion bars.
Standard stabilizer bar.
Good ground clearance,
step height and overall height.
☐ Insta-Trac 4-wheel-drive sys
tem features no-stop shifting
from 2HI to 4HI and back.
□ Vacuum diaphragm actu-
ates front-axle center discon-
nect for freewheeling. Automa-
tically engages or disengages
by moving transfer case shift
lever.

TRAILERING

With the available V6 engine and Heavy-Duty Trailering Package, a 2WD S-10 tows up to 5,000 lbs. (4,000 lbs. for 4WD) including trailer and cargo.

ANTI-CORROSION VALUE FEATURES

IMPRESSIVE CORROSION PROTECTION

- ☐ Zincrometal,* galvanized steel, zinc-alloy coated steel and zinc-plated parts used in important areas, such as the cargo box.
- ☐ Two-sided galvanized steel is used for the cab floor, door frames, pickup-box floor and side panels and wheelhousings.
- ☐ Zincrometal is used in the inner front fenders, outer hood, outer front fenders, doors, pickup-box outer side panels and tailaate.
- ☐ Cathodic ELPO primer used on entire cab, cargo box and front end.
- ☐ Stone-resistant coating sprayed on lower body side panels.
- Aluminized wax preservative sprayed on inner door body surfaces to resist corrosion from road salt.

LONG-LASTING FINISH

- ☐ Zinc-rich anti-corrosion primer sprayed on before final priming.
- ☐ Primer surfacer added for further sealing and prefinishing. ☐ High-solid solvent enamel top coat is baked on. Has roughly 50% higher ratio of solids to solvent than current enamel systems in U.S. auto/truck industry.
- ☐ High-quality paint finish.☐ Up to 5-layer-deep finish. That's 25% thicker than the
- typical U.S. truck.

 Factory paint systems were specially redesigned to meet design goals for the S-10 models.

HIGH-QUALITY ASSEMBLY PROCESS

- ☐ Assembly process features the extensive use of solid-state automatic welding machines.
- Features "net build" quality. Front end, cab and cargo box are first welded into separate units, then joined. If these and other assemblies don't fit, they are not adjusted to fit, they are rejected.
- ☐ Many sheet metal components are restamped for precision.

- Advanced electronic quality control. Critical dimensions are electronically checked throughout the entire assembly process.
- Door hinges are welded to the door frame in a master control fixture for precision.
- Every S-10 model is watertested for leaks.
- ☐ Computer graphics used to design all electrical, air and hydraulic circuits for efficient, accurate engineering.
- ☐ Designed, engineered and assembled in America.

DURANGO/TAHOE/SPORT TRIM OPTIONS

The Durango option is available in Custom Vinyl or Custom Cloth bench seats, Custom Vinyl high-back bucket seats, and Special Custom Cloth high-back bucket seats (MaxiCab only).

The Tahoe option is available in Custom Vinyl high-back bucket seats or Special Cloth high-back bucket seats for all models. Custom Vinyl and Custom Cloth bench seats are available for the regular cab only. The Sport option is available in new Sport Cloth high-back bucket seats. See pages D, E and F for complete details on other trim features of the Durango, Tahoe and Sport options.

New for '87 Maxi-Cab models are available Leather High-Back Reclining Front Bucket Seats. Requires Tahoe RPO YC2 or Sport RPO YC3 equipment. Available in Charcoal or Saddle Tan colors.

TWO-TONES

STANDARD MODEL—FEATURES

The standard models include the following items as standard equipment

EXTERIOR

- Bumper: Front; painted low-gloss black; incorporating parking lamps
- Color: See Interior and Exterior Color Selection Chart
- Grille: Molded plastic; painted dark argent; integral Chevrolet emblem/GMC letters at center of grille
- Glass: Tinted, all windows (Extended cabs only)
- Headlamp-Front Side Marker Lamp Bezels: Molded plastic with chromed finish
- Horn: Single, electric, high-note
- Hub Caps: Bright metal. Black trim on Chevrolet models
- Keys: Two-key system; with separate keys for ignition switch and door locks
- Lettering, Tailgate: Black or silver decal on Chevrolet/ GMC letters depending on exterior color
- Lights:
 - Backup lamps: Two rear (integral with taillamps) Combination parking/direction/hazard: Two front Combination tail/stop/direction/hazard: Two rear

- Headlamps: Two, rectangular. Halogen type (except EL/Special model)
- License plate lamp: Single rear
- Side marker lamps with reflectors: Two front; two rear (integral with taillamps)
- Mirrors: RH and LH fixed arm with adjustable 6½" wide x 4" high aerodynamic heads; low gloss black finish. RH mirror is convex
- Moldings: Low-gloss black windshield
- Nameplates: Bnght "S-10/S-15 Sierra" nameplates on front fenders near doors. Engine designation nameplate under LH headlamp.
 4-wheel-drive models have "4x4" nameplates on cab rear corner panels
- Pickup Box: Steel floor, welded double wall construction; painted body color
- Spare Tire Carrier: Winch-type; mounted under frame at rear
- Wheels: Painted argent
- Windshield Wipers and Washers: Electric, 2-speed wipers with low-gloss black finish on exposed metal portions; coordinated washer with fluidic oscillator at center of plenum inlet grille

S-10/15 PICKUP 2- & 4-WHEEL DRIVE STANDARD MODEL—FEATURES

The standard models include the following items as standard equipment

- Armrests: RH and LH padded; integral with door trim panels
- Ashtray: In middle of instrument panel
- Coat Hook: RH side

Painted areas: Same as exterior primary color choice Interior trim: Coordinated with seat trim color choice

- Door Sill Plates: Door-opening protection and floor mat retention, full-length; black plastic
- Door Trim Panels: Color-keyed, embossed molded plastic with integral armrests, map pockets and black housing in door latch release handle area
- Floor Covering: Embossed black rubber mat (partial only on conventional cab)
- Grab Handle: Over RH door (4x4 models only)
- Headliner: Color-keyed; partial roof coverage; styrene laminate with thin foam and cloth cover (full foam and full coverage on extended cab)
- Heater and Defogger: Conventional outside air type
- Hood Lock Release: Handle located under LH side of instrument panel
- Instrument Panel Trim: Smooth low gloss black finish for instrument cluster bezel, and textured charcoal finished central area. Low gloss black light switch panel, heater/air conditioner control panel and RH/LH air conditioning outlet cover plates
- Instruments:

Gages. Speedometer, odometer and fuel

Switches: Main, for control of exterior lights, instrument cluster lights, and cab interior lights; combination steering column switch for direction signals by moving lever up and down headlamp beams by moving lever fore and aft, and windshield wiper and washer by turning lever to wipe and pressing lever in to wash; hazard warning; heater fan; ignition with key-ın warnıng buzzer

Warning lights: Generator, oil pressure, engine temperature, seat belt, service-parking brake, direction/hazard signal, and high beam

- Instrument Panel Control Knobs: Soft black plastic (except heater and wiper-washer controls) with white graphic identification
- Instrument Panel Pad: Color-keyed, energy-absorbing foam type with injection molded plastic substrate
- Insulation and Sound Deadening Material: On dash (firewall), under floor mat, spray deadener inside of doors, plugs on windshield pillars, on roof underside, and on headliner
- Lights: Instrument cluster and cab interior lights. Dome light (except EL/Special model)(includes door-operated switches for dome and cab interior lights)
- Mirror, Rearview: 10" prismatic with soft vinyl rim
- Radio: AM (except EL/Special model)
- Seats: Full-width, full depth foam bench-type with folding backrest. All-vinyl embossed grained seat trim is standard. Also available at extra cost: 1) Textured velour custom cloth bench seat; 2) Leather grained custom vinyl bench seat; 3) Leather grained custom vinyl high back bucket seats; or 4) (for extended cabs only) Leather grained vinyl trimmed rear jump seats. See Interior and Exterior Color Selection Chart for color and trim availability
- Seat Belts: Non-detachable combination lap and shoulder belts for outboard positions with emergency locking retractors; lap belt with manual adjustment for center position. All seat belts are color-keyed with pushbutton type buckles
- Steering Wheel and Column: 151/4" black, soft plastic wheel with 2 spokes; black energy-absorbing steering column with anti-theft locking feature
- Stowage Box: In RH side of instrument panel; with bright keyoperated lock and "S-10/S-15 Sierra" nameplate; lock operated by door key
- Sunshades: RH and LH padded; color-keyed
- Tools: Mechanical jack and wheel wrench behind seat on RH side
- Tray: Small package tray on lower right half of instrument panel.
- Trim Panels and Moldings: Color-keyed moldings on windshield pillars, upper rear quarter trim panels on extended cab, and jack cover on extended cab (charcoal)

- Door Trim Panels: Sport cloth insert to match seat trim
- Seats: Sport cloth high back bucket seats. Also available at extra cost (for extended cabs only): Genuine leather high back bucket seats. See Interior and Exterior Color Selection Chart for color and trim availability
- Steering Wheel: Sport wheel with simulated leather look

PICKUP SEATS

STANDARD FULL-DEPTH FOAM SEAT

Molded polyurethane foam pads over a steel cushion spring and frame assembly and a backrest frame assembly provide resilient support for driver and passengers, with an extra-thick pad employed for the cushion. A folding type backrest with inertia latch is used, providing convenient access to the stowage area behind the seat. Seats are adjustable fore and aft. Trim is durable, easy-to-clean vinyl.

FRONT BUCKET SEATS (Custom Vinyl Seat Trim Shown)

This option consists of two high back bucket-type seats with foam padding and folding backrests with inertia latches. They are standard on Sport/Gypsy models and are available for all other models. A lockable color-keyed plastic center console with spacious stowage compartment is available when bucket seats are ordered on base. Durango/High Sierra, or Tahoe/Sierra Classic models. This console is included with the Sport/Gypsy Model Option. Reclining seat backs available on extended cab models and are included with Sport/Gypsy Model Option.

FOLDING JUMP SEATS

This option consists of two folding jump seats mounted on Extended Cab rear sidewalls. They may be left folded for cargo carrying or unfolded to carry two additional passengers. Bucket seats are required when this option is ordered. Trim on these seats is always Custom Vinyl

September, 1986

Cab Construction

Two cab configurations are used; the regular cab and the extended cab. Both are 2-door cabs, but the extended cab has approximately 14.6" of added space behind the 3 passenger seat. Provisions are made to enable the addition of 2 optional jump seats if desired. Both utilize all-steel, welded construction. A plenum chamber with high level, screened

air intake is incorporated in the front end structure for interior ventilation. Single-wall construction is utilized throughout the remainder of the cab except in the upper back panel area. A cathodic ELPO primer is used throughout and coated steel is used in most areas to reduce sheet metal corrosion. Body joints are filled with pumpable sealer. A 4-point mounting system is utilized for the cab.

Cab Mountings

All mounts are the double rubber biscuit type.

STANDARD CAB FEATURES

Curved Windshield - The large, one-piece windshield of laminated safety glass is ure-thane bonded into the windshield frame and has an area of approximately 1138.5 square inches for excellent visibility.

Curved Rear Window-The rear window is of solid tempered safety glass and is curved to prevent road reflections on the inside rear view mirror. It has a 617.5 square inch area.

Electric Windshield Wipers - High-capacity, 2-speed motor provides constant wiping action regardless of engine load or accelerator position. Wipers have 16-inch blades. Wiper arms and the metal portions of the blades have a low gloss black finish. Electric washers with a 5.7-pint capacity reservoir are also standard. A "Fluidics" washer nozzle assures efficient washing action.

Curved Side Glass - Curved door windows are of solid tempered safety glass with an area of 409.5 square inches for each side. Rearview Mirrors-Standard chrome exterior mirrors are of the fixed arm type with 6½" wide x 4" high adjustable aerodynamic

heads and a low gloss black finish. Both night-hand and left-hand units are provided, with convex glass used for the RH mirror.

Optional mirror combinations are also available. See the Optional Equipment listing.

Door Locks - All cab models include left & nght hand key-operated (front) door locks as standard equipment. Actuation of inside lock levers prevents accidental door opening and provides keyless door locking when leaving the vehicle. Door lock key is separate from the ignition key for theft protection.

CAB DIMENSIONS*

Glass Area (sq in)

Front side door window (each side)......409.5

Rear side windows (each side).......150.0

Rear window........617.5

*All interior dimensions measured with front seat in rearmost position. Seat travel is 5."

INSTRUMENT CLUSTER

Standard Cluster with warning lights for engine temperature, generator, and oil pressure.

Optional Cluster (RPO Z53) with voltmeter, engine temperature gage, oil pressure gage and trip odometer. Included with Tachometer (RPO U16) and in Tahoe/Sierra Classic options (RPO YC2) and Sport/Gypsy options (RPO YC3) as illustrated (optional tachometer also shown in illustration.) Cluster faceplate for all models has textured, charcoal colored finish. When the optional tachometer is ordered it replaces the regular fuel gage, and another fuel gage is added.

S-10/15 PICKUP 2- & 4-WHEEL DRIVE PICKUP BOX

Body Ordering Code E63
DIMENSIONS

The all steel, welded pickup box is built in both 6- and 7.5-foot nominal lengths with approximate 35 and 43 cubic ft. capacities respectively. Integral skid strips are incorporated into the load floor. Vertical rear lamps with bright bezels are incorporated into the corner posts. Double-walled construction is used in the side panels and tailgate to prevent load dents from marring the appearance of the outer panels.

The ELPO electro-coating process is used to prime the completely assembled cargo box to assure that all surfaces of all components—even surfaces not visible—receive a coat of prime paint. Side outer panels and tailgate are fabricated of zinc coated steel and galvanized steel is used for platform panels and rear wheelhousings to provide additional corrosion protection.

A tight-fitting full-width tailgate holds such loads as grain and sand with minimal loss. It is operated by a mechanically actuated latch and retained in the horizontal position by hinged steel support straps. The tailgate latch features one-hand operation for easy opening and closing.

The vertical structural support welded into each corner of the pickup box has a round metal loop at the upper end to serve as a cargo tie-down.

INTERIOR AND EXTERIOR COLOR AVAILABILITY CHART

Please Note: Below are the interior trim color and exterior point combinations recommended by Chevrolet/GMC. The only available color code 1/color code 2 exterior color combinations are those shown in the chart below; nowever, any available interior trim color may be ordered with one of these exterior color combinations if that particular combination is desired by the customer.

^{*}Stripe color/trim color combination available but not recommended.

SOLID AND TWO-TONE* EXTERIOR COLOR COMBINATIONS

The application of paint for solid and two-tone exterior color combinations is shown below.

SOLID COLOR

Solid paint (ZYI) is standard on all models (except Sport/Gypsy). All painted areas of the cab, front end sheet metal, and box are the same color. Tailgate lettering for base and Durango/High Sierra models is silver when Galaxy Blue, Indian Bronze, Midnight Black, or Apple Red extenor colors are specified and black for all other exterior colors.

SPORT TWO-TONE

Sport two-tone paint (ZY7), which provides a lower accent two-tone scheme, is available on base, Durango/ High Sierra and Tahoe/Sierra Classic models, and is included when the Sport/Gypsy Model Option (YC3) is ordered (unless ZY6 Custom twotone is ordered). When ordered on base models, Painted Front Bumper (VT3) or Chromed Front Bumper (VG3) must be ordered. A wide, four stripe decal is included on base and Durango/High Sierra models, and is applied below the lower styling crease lines. The decal color matches the color code 2 paint choice, and is applied over the paint break line in such a way that the color code I color paint shows through the clear areas to contrast with the decal colors. The color code 1 color choice is applied to the areas above the bottom stripe of the decal, and the color code 2 color is applied to the areas below the decal. RPO 884 Body Side Moldings may be ordered with ZY7 on base and Durango/High Sierra models, if desired (at extra cost), and will replace the striping decal. Tailgate lettering for base and Durango/High Sierra models is silver when Galaxy Blue. Indian Bronze, Midnight Black, or Apple Red exterior colors are specified and black for all other exterior colors.

*Optional at extra cost

SOLID AND TWO-TONE* EXTERIOR COLOR COMBINATIONS

The application of paint for solid and two-tone exterior color combinations is shown below.

CUSTOM TWO-TONE

Custom two-tone paint (ZY6) is available on all models. When ordered on base models, Painted Front Bumper (VT3) or Chromed Front Bumper (VG3) must be ordered. The areas above the belt styling crease line are painted the color code 1 paint color. The areas below that line are painted the color code 2 color. A color-keyed decal stripe is applied at the belt styling crease line just below the paint break (See color stripe chart on page O). Tailgate lettering for base and Durango/High Sierra models is silver when Galaxy Blue, Indian Bronze, Midnight Black, or Apple Red color code 2 exterior colors are specified and black for all other colors.

SPECIAL TWO-TONE

Special two-tone paint (ZY8), which provides a mid-accent two-tone scheme, is available on base, Durango/ High Sierra and Tahoe/Sierra Classic models. When ordered on base models, Painted Front Bumper (VT3) or Chromed Front Bumper (VG3) must be ordered. B84 body side and wheel opening moldings are included (except on Tahoe/Sierra Classic models where already included) which are applied below the lower styling crease lines. The areas below the molding and above the belt styling crease line are painted the color code I paint color. The areas between the molding and the belt styling crease line are painted the color code 2 color. Tailgate lettering for base and Durango/High Sierra models is silver when Galaxy Blue, Indian Bronze, Midnight Black, or Apple Red color code 2 exterior colors are specified and black for all other colors.

*Optional at extra cost

EXTERIOR DECOR STRIPING PACKAGES

4x4 I.D. EXTERIOR DECOR

RPO YI3 4x4 I.D. Exterior Decor.

This package consists of tri-colored 4x4 decals applied to the upper rear corner of each side of the pickup box. It is available on all 4x4 S-10 pickup models. The standard 4x4 emblem located on the B pillar is deleted. Not available when RPO D90 Sunshine Striping is ordered.

SUNSHINE STRIPING

RPO D90 Sunshine Striping. Sunshine Striping consists of 4 bold stripes along the full length of the vehicle and across the tailgate. The stripes are available on all S-10/15 pickup models in four colors to contrast or complement the extenor paint color choice. See the Interior and Exterior Color Availability Chart headed: With D90 Sunshine Striping for available combinations. The stripes vary in color density; the top stripe is completely opaque and each of the three remaining stripes is less opaque than the one above it, allowing the exterior paint color to show through more and more in each succeeding stripe until the bottom stripe actually has just a hint of color in it, creating a very dramatic effect. Sunshine Striping is available with ZY1 solid paint or with ZY6 Custom Two-Tone paint. When ordered with ZY6, the top stripe color exactly matches the color code 1 color choice. Not available with B84 Body Side Moldings or with YJ3 4x4 I.D. decals. Wheel opening moldings (either B74 Black Plastic or B96 Bright Aluminum) YC2 Tahoe/Sierra Classic or YC3 Sport/Gypsy must be ordered.

OPTIONAL STRIPING

Optional Striping is available on S-10/15 pickup models only when ZY1 Solid Paint is ordered. The striping is the same as that included with ZY7 Sport Two-Tone Paint, and consists of 4 decal stripes applied below the lower styling crease lines. The striping is available in 6 colors to contrast or complement the exterior paint color. See the Interior and Exterior Color Availability Chart headed: Without D90 Sunshine Striping for available combinations. Not available with B84 Body Side and Wheel Opening Moldings or YC3 Sport/Gypsy Equipment.

General Motors Corporation
